

Age and Gender Breakdown

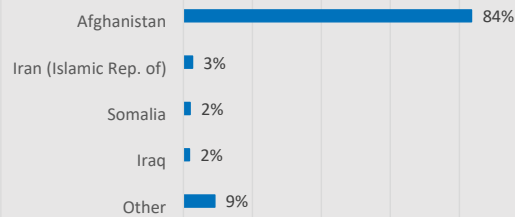

**Current population in Moria: 4,850**

*UNHCR estimated figures based on enrolment and field data*

Nationality Breakdown

## PROFILE

Moria started operating as a Reception and Identification Center in March 2016.

The reception center is situated in a former military camp nearby Moria village on Lesvos island and is located 5,5 km from the town of Mytilene.

The reception center is managed by the Reception and Identification Service (RIS) under the Ministry of Migration Policy in cooperation with the Hellenic Army and the Hellenic Police.

There are more than 30 organizations and volunteer groups operating at the moment in the center. Only RIS-authorized and registered entities can operate in the center.
